Single Use Surgical Ltd General Policy on Health and Safety

SUS aim is to provide and maintain a safe and healthy working environment for all of its employees and visitors, and to provide the necessary information training and supervision for this purpose.

It is the duty of management to do everything possible to prevent personal injuries, however, it is equally the duty of all employees to exercise personal responsibility and to do everything possible to prevent injury to themselves and to others.

Co-operation and involvement of all employees will be sought in achieving a safe and healthy working environment.

The policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and the way in which it is operated will be reviewed every year.

Signed

Matthew Tulley
